

# KELLER FAMILY COMMUNITY FOUNDATION

## Supporting Families in Their Fight Against Cancer

### Our Mission

The Keller Family Community Foundation is dedicated to easing the financial burden for families battling cancer. We focus on the often-overlooked expenses that arise during treatment—travel costs, lodging needs, and unexpected financial challenges that can overwhelm families during an already difficult time.

### Our Impact

- **Established in 2009**
- **Over \$1,000,000 raised**  
to support families fighting cancer
- **Active endowments in 5 states**  
with participating hospitals and healthcare partners
- **Many families assisted**  
with critical non-medical expenses during cancer treatment

### How We Help

Our endowments at participating hospitals provide direct financial assistance for:

- ✓ Transportation to and from medical appointments
- ✓ Other urgent needs identified by hospital social workers

### Join Our Community

Whether you ride with us, sponsor a rider, volunteer at an event, or simply make a donation, your support makes a tangible difference in the lives of families facing cancer.

#### OUR SIGNATURE EVENT:

### *The Valentine Rides*

The Valentine 250 and 500 mile snowmobile rides have become our flagship fundraising events. These challenging endurance rides embody the determination and resilience shown by the families we support.

#### How It Works:

- ♥ Riders secure at least \$1,000 in donations from sponsors, friends, and family
- 🏂 Participants choose either the 250 or 500 mile challenge
- 🚩 All miles must be completed in a single day on snowmobile
- ⊕ 100% of proceeds go directly to our hospital endowments

“When a family battles cancer, they shouldn't have to battle financial hardship too.”
